The following league(s) final averages were not submitted on time and will not appear in this book. Several attempts were made to rectify this situation. If you wish your average verified for a tournament, you **MUST** send me the original individual average sheet given to you by your league Secretary at the end of the bowling season. It is your responsibility to submit the correct average for entering a tournament. Submitting the wrong average may disqualify you.

Peoria Area USBC Youth Association

The following final averages were not submitted on time and will not appear in this book. Several attempts were made to rectify this situation. If you wish your average verified for a tournament, you **MUST** send me the original individual average sheet given to you by your league Secretary at the end of the bowling season. It is your responsibility to submit the correct average for entering a tournament. Submitting the wrong average may disqualify you.
