14. Entering averages:
 - a) Highest USBC – WBA/BA sanctioned average (based on 12 games) for 2008- 2009 season (319a-1)
 - b) Bowler with no 2008 –2009 average may use a 2009 summer league average based on 12 games or more (with proof of average).
 - c) Bowler with no average for last season or no summer league average may use the current season average from 12 games or more at the time of bowling.
 - d) Bowler with neither of the above average will enter at 180 average for men and 165 for women.
 - e) It is the bowler's responsibility to verify the accuracy of his or her average whether originally Submitted by the bowler, partner or other. Failure to use the proper average shall disqualify the score if the submitted average is lower than the actual average thereby resulting in more handicap. Prize winnings will be based on submitted average if it is higher than the actual average. Corrections in averages can be made up to the completion of the first game of a series Or within 48 hours after the completion of a series if the Tournament Manager, prior to the completion of the first game of the series, has given written consent to the bowler authorizing such extension of time to correct the average.
